EDUCATION

BE CSE	SNS College of Technology, Coimbatore, TN (current CGPA: 8.85)	2023 - 2027
HSC	Mount Carmel Matriculation Higher Secondary School (87.5%)	2021 - 2023
SSLC	Mount Carmel Matriculation Higher Secondary School	2020 - 2021

PROJECTS

Cosmo — Interests-first Social Media Platform *(Private Repository)*

July 2026

Tech Stack: FastAP, PostgreSQL, SQLAlchemy, Redis, Reactjs, Tailwind CSS, Git, JWT

- Architected a full-stack social media platform using FastAPI, React, PostgreSQL, Redis, and React Native.
- Designed scalable backend architecture with JWT authentication, WebSockets, and REST APIs.

EchoGraph – Semantic Memory and Retrieval System

May 2026

Tech Stack: FastAPI, PostgreSQL, pgvector, Sentence Transformers

- Built an AI memory engine supporting semantic retrieval using vector embeddings.
- Implemented adaptive ranking combining similarity, recency decay, access frequency, and importance scoring.

WORK EXPERIENCE

Full-Stack Developer Intern

Jun 2025

DMeX solutions

- Completed a Full Stack Development internship at DMeX, gaining practical experience in JSON handling, authentication, API integration, and web application development. Resolved 20+ frontend issues and improved mobile responsiveness across multiple application modules.

Cyber Security *(Project Based)*

Jun-July 2026

InternPe

- Completed a project-based internship focused on cybersecurity concepts and practical applications.
- Successfully completed assigned cybersecurity projects and practical exercises.

SKILLS

Languages	Python, Java, C, C++, JS(+ ts)
Frontend	Reactjs, HTML, CSS, Tailwind CSS
Backend	Express.js, Node.js, Flask, FastAPI
Databases	MongoDB, MySQL, postgresQL
AI/ML	NumPy, Pandas, Scikit-Learn, Matplotlib, Tensorflow, keras
Tools	Linux, Git, GitHub

ACHIEVEMENTS

- Qualified GATE 2026 (CS - Computer Science & IT)
- Scored 90% in NPTEL Human-Computer Interaction
- Solved 270+ DSA problems on LeetCode
- Built and deployed 4 full-stack and AI-powered applications
- Completed Software Development Internship at DMeX
