EDUCATION

Bachelor of Engineering in Computer Science

SNS College of Technology, Coimbatore, TN	2023 - 2027
HSC Mount Carmel Matriculation Higher Secondary School	2021 - 2023
SSLC Mount Carmel Matriculation Higher Secondary School	2020 - 2021

PROJECTS

Smart Summarize X

May 2026

- Developed an AI-driven video summarization platform that accepts direct video links, extracts spoken content, and generates concise summaries using NLP and generative AI techniques.

EDI-BOT

Nov 2025

- Built an AI-driven healthcare workflow automation bot with n8n and Gemini API that processes patient data, understands medical context, and automates appointment scheduling to enhance operational efficiency and patient coordination

WORK EXPERIENCE

Junior Full-Stack Developer Intern

Jun 2025

- DMeX solutions
- Completed a Full Stack Development internship at DMEX, gaining practical experience in JSON handling, authentication, API integration, and web application development.Fixed front-end bugs and improved UI responsiveness across mobile and desktop
 - Worked on frontend-backend integration and implemented secure user authentication features while developing responsive full-stack applications.

Technical Experience

Jun 2024

- Cognifyz Technologies
- Completed programming training at Cognifyz Technologies, gaining foundational knowledge in C and C++ programming concepts, problem-solving, and algorithmic thinking.

SKILLS

Languages	Python, Java, C, C++, JS(TS)
Tools/Frameworks	Reactjs, Expressjs, Native React, Expo, TailwindCSS, Axios, Flask, Jinja, Jquery, nodejs, VS Code, Jupyter Notebook
Databases	MongoDB, MySQL
Other Skills	Pandas, Numpy, Scikit learn, Matplotlib, PowerBI, Git, GitHub

CERTIFICATES

GATE Qualified

Feb 2026

- Achieved GATE qualification in Computer Science and Engineering, showcasing proficiency in core computer science concepts and problem-solving skills.

NPTEL

Feb 2025

- Completed coursework in Human–Computer Interaction focusing on UX principles, usability testing, and user-centered interface design.
